Wow a four bedroom home with a walk out basement located across from a park make this the perfect home. This old school house was moved onto this basement so the charm is present with all the upgrades of a newer home. Large windows thru out the home make views and sunlight abound. Four large bedrooms, three on the main and one in the basement. Two large bathrooms are great for a family. An attached double garage coming into a large entry on the side of the home or enter into the walkout basement. A gas burning fireplace in the large rec room downstairs are a cozy touch. Make sure to take advantage of the covered deck on both levels for outside living. Warm touches such as the original hardwood make this a one of a kind.
